Notes:

1. OPEN = Repeater is Coordinated, operational, and available for general Amateur use.
2. CLOSED = Repeater is Coordinated and operational with use restricted to a particular group.
3. PENDING = Repeater is not Coordinated, but operational, and undergoing testing prior to receiving Coordination.
4. PROPOSED = Paperwork has been filed but Repeater not yet on air. Pair can only be held for 6-months (see: WWARA Policies).
5. Two-Meter Very Narrow Band/Digital (VNBD) pairs are normally "High-In/Low-Out" but inversion is allowed when conditions dictate.
